**BALANCE WANTED / BUDDHA APP SAYS  
INSTALLATION / PERFORMANCE BY BBB\_**

TECHNOLOGICALLY MEDIATED IMMATERIALITY REDEFINES AMONG OTHERS A COMMONSENSE OF SPIRITUALITY FOR A VIRTUALLY-OPTIMIZED SELF. THEREBY, THERE IS A NEED FOR RECONSIDERATION OF PROGRESSIVE RELIGIOUS THOUGHT FOR PARTLY DIGITALIZED BODIES HEADING INTO AN UNDEFINED FUTURE.

RITUALISTIC, COUNTRY NON-SPECIFIC, PHYSICALLY-TRYING AND IN STEP WITH THE TIMES, A ROOM FOR MEDITATION OFFERS A POSSIBILITY FOR A JOINT PARTICIPATORY, PHILOSOPHICALLY-ORIENTED REFLECTION ON THE REPRESENTATION AND PERCEPTION OF TECHNOLOGICAL (POST-DIGITAL) SPIRITUALITY.

**“BALANCE WANTED”** IS A ROOM INSTALLATION INSPIRED BY REFERENCES TO DIGITALLY ENABLED AND WEB DISTRIBUTED TOOLS FOR SPIRITUAL DEVELOPMENT. IT IS A LARGE SCALE GREENISH SPACE, FILLED WITH SELF PRODUCED, PHYSICAL OBJECTS, LIKE PILLOWS, YOGA MATS, LIGHTNING STRUCTURE AND MOTIVES PRINTED ON ACRYLIC GLASS.

INSTALLATION WORKS AS SCENOGRAPHY FOR **“BUDDHA APP SAYS”** - AN ELECTRONIC MUSIC PERFORMANCE BASED ON MIND ENHANCEMENT SOUND TECHNIQS, LIKE BRAIN-WAVE SOUND STIMULATION AND LIVE COMPUTER SYNTHESIZED VOICE.
